

VOLUNTEER POSITIONS AT SWANER PRESERVE AND ECOCENTER

On the Preserve

Responsibilities:

There are many different ways in which we need your help on the Preserve! Some of these are listed below.

- Trail Clean-ups
- Monitor and maintain mountain bluebird houses
- Assist with annual monitoring of birds on the Preserve
- Plant native plants on the Preserve or near the EcoCenter
- Weed Warriors - Volunteers needed to help pull and clip invasive weeds

Time Commitment:

- This will vary significantly from activity to activity. Some projects will require several hours of work at a time while others can be done for as little as one hour at a time.

Training:

- Training for these projects will generally take place during or immediately before the project.
- Some of these projects may even be done on the volunteer's own schedule after training is complete.

Requirements and Experience Necessary:

- No experience necessary! You will be provided with all the training you need.
- You must be active and comfortable moving around in the out of doors. Some jobs will involve strenuous work while others do not.
- Some projects have a minimum age requirement.

Join the team at Swaner!

- If you are interested in helping with these projects on the Preserve, contact **Nell Larson** at (435) 649-1767 x103 or nell@swanerecocenter.org.
- For additional information about volunteer opportunities and benefits visit www.swanerecocenter.org
