

# 4-H Environmental Science Club

at Swaner Preserve and EcoCenter

## 9th-12th Graders in Summit County

- Get involved in research and restoration projects taking place on the Preserve
- Meet and learn from USU researchers and students
- Have fun hiking, camping, white water rafting & snowshoeing
- Meet new people
- Learn about our local environment
- Use USU and Swaner resources for science fair projects

### When/Where:

**Saturday, January 28, 2012, from 10 a.m. to 2 p.m.**

First meeting will be held at Swaner EcoCenter in Kimball Junction. Club will meet at least once per month.

### Cost:

Free to join. May be occasional costs associated with club activities.

RSVP required. For more information or to RSVP for the first meeting, contact **Sally Upton** at [sally.upton@usu.edu](mailto:sally.upton@usu.edu) or 435-252-3576.
